Dear Dr. Lucas,

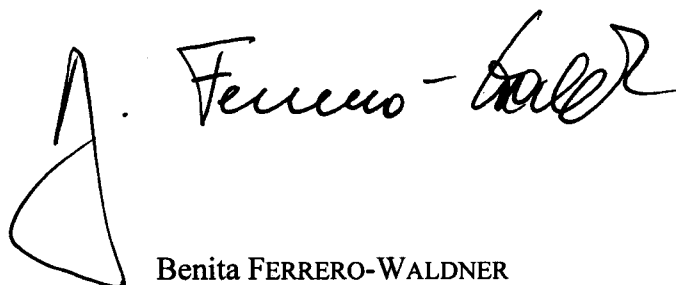

Thank you for your e-mail message of May 19<sup>th</sup> concerning the detention of Hussam Khader.

As anticipated in my earlier reply dated May 17<sup>th</sup> to your letter dated 10<sup>th</sup> January 2006, the case of Mr. Khader has been brought to the attention of the Presidency and Member States representatives in Tel Aviv.

In addition, the matter of administrative detention has been recently discussed in the framework of the EU-Israel working group on human rights and minorities issues held in Brussels.

In this context, the Israeli authorities were urged to apply the normally accepted standards of judicial procedure set out in international law.

Yours sincerely,

  
Benita FERRERO-WALDNER
