Dear Mr. President,

I am writing to express my strong support for the letter you have just been sent by European politicians and activists deeply concerned about the US military radar base planned to be installed in the Czech Republic.

Please find enclosed my additional signature.

This issue is not only about jeopardising peaceful international relations, but also about the crucial democratic rights of a majority of the Czech population.

I do hope that you will positively consider this important message to you.

Yours sincerely,

Caroline Lucas MEP
