8th June 2006

Dear Mr Dimas,

Thank you for your letter of the 3rd May 2006, responding to my queries about the environmental dialogue with the Russian authorities.

I am emailing you to ask for your assurance that by putting the issue of seal culling on the agenda of a sub-group that it will still be accorded the high priority promised by you in previous correspondence.

I look forward to hearing from you.

With thanks,

Yours Sincerely,

Caroline Lucas
